A Dictionary of Sociology (Oxford Quick Reference)

John Scott, Gordon Marshall

A Dictionary of Sociology (Oxford Quick Reference) John Scott, Gordon Marshall

Wide-ranging and authoritative, this sociology dictionary is the most informative of its kind. Compiled by a team of experts, under the editorship of Gordon Marshall and John Scott, it contains over 2,500 entries. With terms taken from sociology and the related fields of psychology, economics, anthropology, philosophy, and political science, it provides widespread coverage of all aspects of sociology from adaptation to zero tolerance as well as biographies covering key figures, such as Gilles Deleuze and Erich Fromm. The jargon-free entries blend clear descriptions with in-depth analysis, and include many real-life examples, making even the most complicated topics easy to understand. This new edition has been revised to bring the dictionary completely up-to-date. Now boasting many entry-level web links, accessible via the regularly updated *Dictionary of Sociology* companion website, this volume offers more relevant and useful information than ever before, making it an invaluable introduction and a key reference work for students, teachers, and professionals in sociology and related fields.

From reader reviews:

Samuel Travis:

Now a day those who Living in the era wherever everything reachable by match the internet and the resources included can be true or not need people to be aware of each details they get. How people have to be smart in getting any information nowadays? Of course the solution is reading a book. Looking at a book can help men and women out of this uncertainty Information specially this A Dictionary of Sociology (Oxford Quick Reference) book since this book offers you rich information and knowledge. Of course the information in this book hundred per-cent guarantees there is no doubt in it everybody knows.

Deborah Anderson:

Information is provisions for individuals to get better life, information these days can get by anyone with everywhere. The information can be a know-how or any news even an issue. What people must be consider whenever those information which is from the former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you find the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take A Dictionary of Sociology (Oxford Quick Reference) as the daily resource information.

Floyd Eichner:

Reading a publication tends to be new life style with this era globalization. With studying you can get a lot of information that will give you benefit in your life. Having book everyone in this world may share their idea. Publications can also inspire a lot of people. Plenty of author can inspire all their reader with their story or even their experience. Not only the story that share in the ebooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some analysis before they write on their book. One of them is this A Dictionary of Sociology (Oxford Quick Reference).

Virgie Haynes:

Is it anyone who having spare time in that case spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This A Dictionary of Sociology (Oxford Quick Reference) can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?
