A Small Fire

Adam Bock

A Small Fire Adam Bock

Characters: 2 male, 2 female

Interior

Adam Bock's meticulously crafted *A Small Fire* follows John and Emily Bridges, a long-married couple whose happy, middle-class lives are upended when Emily falls victim to a mysterious disease. As her senses are slowly stripped away - smell, taste, sight - Emily resolves to remain engaged with her community, relying on John to help her run her company and experience her daughter Jenny's wedding. But her stoic outlook reaches a breaking point when the disease steals her hearing, leaving her with nothing but touch to communicate with the world. Suddenly, she is completely dependent on the husband whose endless devotions she had always taken for granted.

"The play is...raucous, funny and unexpectedly touching, as we are made intimate witnesses to a frank demonstration of how much of life, of love and of happiness remain within reach even when so much appears to be lost." -*The New York Times*

"*A Small Fire* is a small play, tightly focused and written close to the vest, but its small virtues are numerous and meaningful; in retrospect, they begin to loom very large" - *Village Voice*

From reader reviews:

Richard Sims:

As people who live in the actual modest era should be upgrade about what going on or info even knowledge to make them keep up with the era which can be always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know what one you should start with. This A Small Fire is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Rachel Robbins:

Why? Because this A Small Fire is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will shock you with the secret that inside. Reading this book close to it was fantastic author who write the book in such awesome way makes the content within easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your skill and your critical thinking method. So , still want to delay having that book? If I ended up you I will go to the reserve store hurriedly.

Doris Stanford:

Playing with family inside a park, coming to see the ocean world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try matter that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love A Small Fire, you could enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh seriously its mind hangout people. What? Still don't buy it, oh come on its called reading friends.

Lorri Nicholson:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book has been rare? Why so many problem for the book? But almost any people feel that they enjoy to get reading. Some people likes looking at, not only science book but additionally novel and A Small Fire or even others sources were given expertise for you. After you know how the great a book, you feel wish to read more and more. Science e-book was created for teacher or perhaps students especially. Those guides are helping them to increase their knowledge. In additional case, beside science e-book, any other book likes A Small Fire to make your spare time considerably more colorful. Many types of book like here.
