The CIMA Official Study Text contains the theory you need to learn to pass. It covers all areas of the syllabus and includes practical materials that put the theory into context. Each chapter begins with learning objectives mapped to the exam and contains worked examples and questions so you can test your learning. Exam standard questions are included to ensure you are fully prepared.

It is suitable for all methods of study. The succinct bullet point style is complemented by supplementary reading for those students who need more detail on certain topics.

It is written by expert Kaplan subject specialists who know what works for students and it is the only course text to be reviewed by the CIMA examining faculty and endorsed by CIMA.

Written to help you pass first time, the Official Study Text covers the whole syllabus with a specific focus on what will be required in the exam.

Using accessible language and engaging formats it helps you understand more complex areas and simplifies the learning process.

Fixed tests, supplementary materials and an electronic version of the book are available online. For more information go to www.en-gage.co.uk.
