First Time Mom Guide: Your Helper with Tips and Secrets on Pregnancy, Childbirth and the Newborn

Learning all about having a baby is difficult. There's a lot involved from the first moment you learn that you're pregnant until your baby is born. And then there's even more to know about from the time the baby is born until they leave your home, all grown up. Of course, we won't even presume to be able to tell you absolutely everything you need to know about carrying, having and raising a child all the way until they move out.

This book is about your process of getting started. We're going to talk about some of the big things that you may not know about being pregnant and about having your baby. We're even going to talk a little about things you should keep in mind for those first few months.

Inside You Will Learn:

- What To Do When You First Learn the News
- The Most Important Things Every New Mom Should Now
- The Important Things No One Else Will Tell You
- What It's Really Like to Carry a Baby
- What It's Really Like to Bring Your New Baby Home
- And Much More

Having a baby is one of the most difficult experiences you will ever go through, but it's also one of the most rewarding. You don't want to go into it empty-handed. Make sure you have all the tools possible at your disposal. This book is going to be one of those tools.
