## **Getting Out of Hand: Sapphire Falls book one (Volume 1)** Erin Nicholas

Sapphire Falls, Book One Genius scientist Mason Riley can cure world hunger, impress the media and piss off the Vice President of the United States all before breakfast. But he's not sure he can get through his high school class reunion. Then he meets the new girl in town. Adrienne Scott loves Sapphire Falls. The sleepy little town has been the perfect place to escape her fast-paced, high stress lifestyle. Her only plans now include opening her candy shop and living a quiet, drama-free life. Until Mason Riley bids four hundred dollars just to dance with her. Mason sure doesn't look—or kiss—like a genius scientist geek. In fact, he makes Adrienne's heart pound like nothing she's ever experienced. Passion like this with a guy who travels the world and parties at the White House should probably be a red flag for a girl who wants a simple boring life. Good thing no one falls in love in a weekend. SAPHIRE FALLS SERIES Getting Out of Hand, book one Getting Worked Up, book two Getting Dirty, book three
