Good Touch Bad Touch: Learning About Proper and Improper Touches Teresa Connor

This book is for parents/grandparents to use as a tool to talk to their child ages 3-10 about proper and improper touches. To help educate children to be aware of the things perpetrators do when grooming a child to be a victim of abuse. Not to scare the child but to educate them to be aware and what to do if they are approached or touched improperly. This book isn't explicit in any way and leaves the door open for further discussion as the parents see fit. It is my hope to prevent children from becoming a victim like I was and not have to go through the things I've had to deal with in life. I will be happy to save one child.
