***Last Stand* is a #1 Bestseller on Amazon in the western genre.**

Gideon Johann had been gone from Last Stand, Colorado for eighteen years, seeming to have vanished after the Civil War. He is a man running from his conscience and keeping on the move seems to be the only thing preventing it from destroying him. Rumors of his whereabouts occasionally reach Last Stand, but no one from there had seen or heard from him since the war, leaving both the girl he left behind and his best friend with a chapter of their lives unresolved. Things change in Last Stand when a stranger is found shot and near death. The realization that the man is Gideon sets in motion old grudges, love, and a chance for redemption.
