The Book of Fallacies (The Collected Works of Jeremy Bentham)

Jeremy Bentham

The Book of Fallacies (The Collected Works of Jeremy Bentham) Jeremy Bentham
The present edition of *The Book of Fallacies* is the first that follows Bentham's own structure for the work, and includes a great deal of material, both in terms of the fallacies themselves and the illustrative matter, that previous versions of the work have omitted. The fallacies that concerned Bentham were not logical errors of the sort identified by Aristotle, or commonplace misunderstandings of matters of fact, but arguments deployed in political debate, in particular in the British Parliament, in order to prevent reform.

Bentham not only identified, described, and criticized the fallacious arguments in question, which were all characterized by their irrelevancy, but explained the sinister interests that led politicians to employ them and their supporters to accept them. By exposing these political fallacies, Bentham hoped to prevent their employment in future, and thereby to place political debate on its only proper ground, namely considerations drawn from the principle of utility.

From reader reviews:

Marlene Turner:

As people who live in often the modest era should be change about what going on or information even knowledge to make these individuals keep up with the era that is always change and progress. Some of you maybe will update themselves by studying books. It is a good choice in your case but the problems coming to you is you don't know what kind you should start with. This The Book of Fallacies (The Collected Works of Jeremy Bentham) is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

Erica Dennis:

The actual book The Book of Fallacies (The Collected Works of Jeremy Bentham) has a lot associated with on it. So when you read this book you can get a lot of benefit. The book was compiled by the very famous author. The author makes some research previous to write this book. This book very easy to read you will get the point easily after scanning this book.

Ralph McClure:

The reason? Because this The Book of Fallacies (The Collected Works of Jeremy Bentham) is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will surprise you with the secret that inside. Reading this book close to it was fantastic author who have write the book in such awesome way makes the content interior easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of benefits than the other book get such as help improving your ability and your critical thinking means. So , still want to postpone having that book? If I ended up you I will go to the reserve store hurriedly.

Charles Morris:

Many people spending their period by playing outside using friends, fun activity with family or just watching TV the whole day. You can have new activity to invest your whole day by reading a book. Ugh, do you think reading a book will surely hard because you have to accept the book everywhere? It fine you can have the e-book, getting everywhere you want in your Cell phone. Like The Book of Fallacies (The Collected Works of Jeremy Bentham) which is keeping the e-book version. So , why not try out this book? Let's observe.
