The Brazilian Dream: How I left my Finance Job in London and became an Entrepreneur in Brazil

Raphael A Rottgen

Raphael Rottgen did not come to Brazil on a company posting. He did not even move there because of a woman. His story is different: he made an independent, unforced, conscious, some say rebellious, decision to leave his finance job in London and become an entrepreneur in São Paulo. How he arrived at the decision to move to an emerging market; why he chose Brazil over China, India and Russia, after visiting all of them; how he started a company in Brazil from scratch; how he learned how to handle dating Brazilian women – all this and more is what this entertaining story is about.
