The Secret Relationship Between Blacks and Jews Historical Research Department Nation of Islam
The Secret Relationship Between Blacks and Jews, Kindle edition, is the Nation of Islam's official digital version of the paperback. This legendary book reveals the Jewish role in the African slave trade. Drawing almost entirely from Jewish academic sources, it destroys the myth that the Jewish people were the historical “friends” of the Black African. Jews were slave traders, auctioneers, plantation owners, slave shippers, and financiers, greasing the wheels of the plantation economy, making slavery more profitable than ever. Charts, illustrations, slave-sale advertisements, full documentation, bibliography, 1,261 footnotes. This in-depth study of the Jews' essential role in the transatlantic slave trade has never been successfully challenged in over 20 years.
