As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library in order to

make summary for some publication, they are complained. Just minor students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country.
