Alex Knight struggles to find a place between superheroes and supervillains in this explosive sequel to *The Cloak Society*, which *School Library Journal* says has "the same wide appeal as Rick Riordan's Percy Jackson books."

The Cloak Society has just pulled off the greatest takedown in Sterling City's history—but twelve-year-old Alex Knight has turned his back on the supervillains who raised him, and is fighting for the other side. Working with the superheroes is easier said than done, though . . . especially when your new teammates aren't sure your days as a villain are over.

Praised by *Publishers Weekly* for its "rapid-fire, comic book–style action," the Cloak Society trilogy delivers high-stakes battles, extraordinary superpowers, and an original twist on the superhero stories readers know and love. Fans of the 39 Clues and the Alex Rider Adventures will be hooked!
