HearthLand is a serial novel released in several chapter episodes.

Taking a step back in time—deliberately.

After a trip to Walden Farm and an afternoon talking to Chad and Willow Tesdall, Ralph Myner caught a vision for what life could be like. Against the advice of his nephew, Ralph sinks his entire retirement account into an incredibly risky venture.

Harlan Walker thinks his uncle has gone crazy. With the project in motion, all he can do is try to find people to invest their time, money, and even their lives into Ralph's project before the man ends up broke and without means to survive.

People come from all walks of life as they embrace a new world—the world of HearthLand.

Episode 19: Wedding plans have taken over HearthLand, and it seems almost everyone is getting into the spirit of things—to the delight of some and disapproval of others. Ralph has an idea to solve Annie's problems, but she isn't convinced. But just as everything seems right with the world, everything goes wrong.
