Hell Is for Real: Why it Matters Gary Frazier

According to the results of recent surveys, Americans overwhelmingly believe that **HEAVEN** exists, though a much smaller number believe that **HELL** exists, with only one-tenth of one percent believing they will go there when they die. Gary Frazier helps readers:

- Discern what beliefs are based on fact or fiction
- Discover the truth in the midst of so much deception
- Understand the depth of Scripture that speaks of **HELL** more than **HEAVEN**.

Hell is for Real is a clear search for truth, and truth matters for the simple reason that we all have a divine appointment with death. What if those who do not believe in **HELL** die one day and find they made a tragic and eternal mistake? Where do we turn for real answers? Should we look to movies, television, and stories of personal experiences, psychics, or religion?

Cemeteries and mausoleums dot the landscape of America as evidence and reminders of the sad reality of death. The good news is there is a source of hope that provides answers for each and every one who cares to seek the truth. Join the search and choose wisely because, eternity is too long to be wrong and *Hell is for Real*.
