How to Kindle Fire (How to Start a Fire) David Aman, Victoria Aman

This is the most basic, easy to understand book of how to make a fire that you will ever read. The many photographs and simple instructions will teach you this skill as if you were 7 years old. This book is being written for all of those people that have trouble starting fires. Whether it is at a campfire or in a fireplace, these methods will guide you step by step to having the ability to start a fire every time. It is designed as a picture book. Rather than teach you with just words, you will actually see the steps necessary to build a successful fire. Included in this book are lists of good tinder and how to find fuel, a trouble shooting guide and suggestions to make starting a fire easy every time. You will learn everything from how to light different kinds of matches properly to seeing pictures of different tinders that are easy to light to get your fire started. If you have had trouble starting fires in the past, want to learn how to teach kids this skill easily or are just looking for some pointers on fire making then this is the book for you.
