ARCHIE Vol. 1 collects ARCHIE #1-6 and features bonus content including scripts, sketches and variant covers.

ARCHIE, one of the longest-running titles in comic book history, is rebooted here in this full-color collection that brings together two of the most talented creators in comics, Mark Waid and Fiona Staples. Together they create a surprising and definitive take on the origins of everyone's favorite redheaded teen and his friends while showcasing the beginnings of the historic love triangle between Archie, Betty and Veronica. The book captures the bite and hilarious edge of Archie's original tales in a modern, forward-looking manner, while still retaining the character's all-ages appeal.
