Awakening and Insight: Zen Buddhism and Psychotherapy

Awakening and Insight: Zen Buddhism and Psychotherapy

Buddhism first came to the West many centuries ago through the Greeks, who also influenced some of the culture and practices of Indian Buddhism. As Buddhism has spread beyond India, it has always been affected by the indigenous traditions of its new homes. When Buddhism appeared in America and Europe in the 1950s and 1960s, it encountered contemporary psychology and psychotherapy, rather than religious traditions. Since the 1990s, many efforts have been made by Westerners to analyze and integrate the similarities and differences between Buddhism and its therapeutic ancestors, particularly Jungian psychology.

Taking Japanese Zen-Buddhism as its starting point, this volume is a collection of critiques, commentaries, and histories about a particular meeting of Buddhism and psychology. It is based on the Zen Buddhism and Psychotherapy conference that took place in Kyoto, Japan, in 1999, expanded by additional papers, and includes:

- new perspectives on Buddhism and psychology, East and West
- cautions and insights about potential confusions
- traditional ideas in a new light.

It also features a new translation of the conversation between Shin'ichi Hisamatsu and Carl Jung which took place in 1958.

Awakening and Insight expresses a meeting of minds, Japanese and Western, in a way that opens new questions about and sheds new light on our subjective lives. It will be of great interest to students, scholars and practitioners of psychotherapy, psychoanalysis, and analytical psychology, as well as anyone involved in Zen Buddhism.

This great information can easily drawn you into brand new stage of crucial pondering.

Ana Jara:

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Awakening and Insight: Zen Buddhism and Psychotherapy can make you feel more interested to read.
