Fell David Clement-Davies

In this dark, thrilling fairy tale, it is the wolf who saves the girl. Fell, the dark-furred twin brother of Larka, the heroine of *The Sight*, must face life without his sister or the rest of his loving pack. He's a lone wolf now, a "kerl," an outcast from his kind who shares his sister's fatal gift for seeing the future and the thoughts of others. This gift leads him to befriend a young girl, also an outcast from her people. They have a shared destiny: to free the land from a tyrannical ruler who would enslave man and animal alike.

The prequel to this book, David Clement-Davies's bestselling animal fantasy *The Sight*, is set among the wolves of Transylvania. This dark epic thrilled readers and critics alike, who said, "This sprawling, ambitious novel has it all: action, adventure, apocalyptic battles" (*Children's Literature*), and called it "rich, complex, and credible" (*VOYA*) and "full bodied [and] lyrically told" (*Booklist*, starred review).
