Gender and Diversity in the Workplace: Learning Activities and Exercises

Gary N. Powell

Gender and Diversity in the Workplace: Learning Activities and Exercises Gary N. Powell

This practical workbook includes a wide variety of exercises appropriate for students as well as managers, administrators and other employees of organizations. Individual and group activities, diagnostic instruments, role plays, case studies and simulations all help students and workers to gain a better understanding of how gender and diversity issues may be dealt with in a manner that takes advantage of the potential contributions of all members of the workforce.

A separate instructor's manual is available from Sage providing guidance on how to run the various exercises, including how they may be adapted for special purposes.
