This book presents a sweeping survey of Bible prophecy that relates to the First and Second Comings of Jesus. In the process it addresses several key questions: Was the virgin birth of Jesus anticipated in Bible prophecy, or was it an afterthought? Was the resurrection of Jesus prophesied, or was it the result of wishful thinking? Was the deity of Jesus foretold in prophecy, or was it an idea manufactured by His disciples? How can Jesus be found throughout the Bible in symbolic prophecy? Additionally, the book presents extensive evidence of the validity of the virgin birth of Jesus, His deity, and His resurrection.
