Natick Dictionary: A New England Indian Lexicon

James Hammond Trumbull

Natick Dictionary: A New England Indian Lexicon James Hammond Trumbull

James Hammond Trumbull was a prolific New England antiquarian and linguist. In connection with his research into the Native languages of New England, his discovery that some of the languages were highly systematic enabled him to decipher the grammar and vocabulary from rough phonetic accounts of the seventeenth and eighteenth centuries. Though Trumbull never saw his work published, the Bureau of American Ethnology finally produced the *Natick Dictionary* in 1903.

Since Trumbull's dictionary translates words both from Natick to English and from English to Natick, it is not only an excellent scholarly resource but also a useful learning tool for nonspecialists approaching Algonkian with only English-language skills.

Robert and Karen Madison's introduction to this edition outlines Trumbull's life and writings and also reviews the major sources Trumbull used in his research.

Dorothy Penland:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Natick Dictionary: A New England Indian Lexicon can make you truly feel more interested to read.
