Property Of CP Smith

“Life imitates art far more than art imitates Life.” Oscar Wilde Author Nicola Royse dreamed of Scottish Highlanders as a teen then wrote about them as an adult. Always looking but never finding her own White Knight, she still held out hope that he would one day ride up on his trusty steed. He rode up all right, on a silver Harley with heat in his eyes and a detective's badge on his hip while she and her friends plotted her first contemporary romantic suspense. Of course, life couldn't imitate art without a killer on the loose, one that had Nicola and her friends in his sights. Detective Dallas Vaughn dedicated his life to catching killers. Then one day he bumped into the girl-next-door, and all that changed. Now he's her White Knight fighting against a Dark Prince . . . one who would love to see her dead. Rated R for language, violence, and sexual content.
