A smuggler harbours refugees from a brutal attack on their defenceless village.

A young boy, wracked by loss, now seeks revenge.

A servant of the Magistratus, a lawman who once believed in justice, searches for the truth behind the planet his masters will kill to hide.

A stim-addicted navigator, haunted by her past, wants answers. Why she was chosen to ride with a salvage crew destined to die in a remote, nameless part of space.

And a spy is blackmailed into informing against those he serves. What he knows could bring about the end of the Republic.

**All will be drawn together by hidden forces, and their lives shattered by cataclysmic events they can neither predict... nor escape.**
