# Domingos Álvares, African Healing, and the Intellectual History of the Atlantic World

James H. Sweet

**Domingos Álvares, African Healing, and the Intellectual History of the Atlantic World** James H. Sweet  
Between 1730 and 1750, powerful healer and vodun priest Domingos Alvares traversed the colonial Atlantic world like few Africans of his time--from Africa to South America to Europe--addressing the profound alienation of warfare, capitalism, and the African slave trade through the language of health and healing. In *Domingos Alvares, African Healing, and the Intellectual History of the Atlantic World*, James H. Sweet finds dramatic means for unfolding a history of the eighteenth-century Atlantic world in which healing, religion, kinship, and political subversion were intimately connected.
