A Novel Idea: Writing is an Art Ruth Silver

Do you love to write? Do you have difficulty starting your novel?

Ruth Silver, the author of the Aberrant Series loves to hand write her character outlines and basic story plot. She finds it easier to go back and reference when writing her first draft.

She created A NOVEL IDEA after following this method for both ORENDA and DEAD GIRL WALKING, two highly anticipated series coming to bookstores in 2014.

A NOVEL IDEA is just like using a notebook to pen the beginning details of your novel. Blank pages line this book for you to use. Jot down character traits, your main plot and more as you begin working towards your first draft.

Included is a simple guide to help you get started.

A perfect gift for a writer at any age!
