**Database Design and Publishing With Filemaker Pro 4: For Mac and Windows** Don Crabb, Jeff Gagne

This book is a thorough guide to Web or intranet "publication" of FileMaker Pro 4.0 databases on either the Mac or Windows platform. With detailed explanations and a hands-on, solutions-based approach, the book covers first the transition from earlier versions of Filemaker Pro to version 4.0, then details the key differences between local database reports and Web-based reports. Key features of the Filemaker server and SDK are discussed, as are backup and security issues, and using third-party applications.
