## **Ice** Ulla-Lena Lundberg

The epic of Island Life that has gripped Finland Winner of the Finlandia Prize Nominated for the Nordic Critics Prize It is the summer of 1946. A novice Lutheran priest, his wife and baby daughter arrive at a windswept island off the coast of Finland, where they are welcomed by its frugal, self-sufficient community of fisher folk turned reluctant farmers. In this deeply atmospheric and quietly epic tale, Lundberg uses a wealth of everyday detail to draw us irresistibly into a life and mindset far removed from our own - stoic and devout yet touched with humour and a propensity for song. With each season, the young family's love of the island and its disparate and scattered inhabitants deepens, and when the winter brings ice new and precarious links appear. Told in spare, simple prose that mirrors the islanders' unadorned style, this is a story as immersive as it is heartrending.

#### **Gemma Jackson:**

Here thing why this kind of Ice are different and dependable to be yours. First of all looking at a book is good but it really depends in the content from it which is the content is as delightful as food or not. Ice giving you information deeper and in different ways, you can find any reserve out there but there is no guide that similar with Ice. It gives you thrill examining journey, its open up your own personal eyes about the thing that will happened in the world which is might be can be happened around you. It is easy to bring everywhere like in area, café, or even in your technique home by train. Should you be having difficulties in bringing the imprinted book maybe the form of Ice in e-book can be your option.

#### **Yolanda Ocasio:**

Playing with family in the park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, and then why you don't try matter that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Ice, it is possible to enjoy both. It is very good combination right, you still want to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

#### **Susan Tarin:**

Is it you actually who having spare time and then spend it whole day through watching television programs or just lying on the bed? Do you need something new? This Ice can be the reply, oh how comes? A book you know. You are so out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?

#### **Sara Pacheco:**

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book has been rare? Why so many query for the book? But just about any people feel that they enjoy regarding reading. Some people likes reading through, not only science book but novel and Ice or maybe others sources were given information for you. After you know how the great a book, you feel would like to read more and more. Science publication was created for teacher as well as students especially. Those textbooks are helping them to bring their knowledge. In some other case, beside science e-book, any other book likes Ice to make your spare time a lot more colorful. Many types of book like here.
