Killing Castro (Killing Castro: 1) Jason Ciaccia

A black satirical comedy if only it wasn't true. In the sweltering summer of 1963, at the height of Cold War paranoia, CIA agent Robert "Bob" Maheu is sent to Cuba on a suicide mission aptly titled Operation Good Times: to humiliate Fidel Castro during a live television broadcast by dosing the dictator with LSD and making his beard fall out. But Bob bears the permanent scars of the MKULTRA program, a dark secret in the untold history of the United States' clandestine services. Overseeing Bob's mission back home is Dr. Gottlieb, the mad mastermind behind the Mk-Ultra program which tried to turn Americans like Bob into remote-controlled killing machines. But as the devious doctor discovers, Bob's humanity and his red-white-&-blue birthright to freedom and individuality remain just beneath the surface of his sock-puppet skin. This is the (mostly) true story of how one agency's epic failure set the United States on a collision course with paranoia and peace. Collects issues 1-4. "Jason Ciaccia's tale of LSD-crazed assassins would seem ridiculously hypermplic if it weren't derived from the CIA's own files...Aaron Norhanian's ferivd ink drawings propel this witty hybrid of underground comix and the History Channel right of the top." - R.C. Baker, The Village Voice.

From reader reviews:

Eden Davis:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each e-book has different aim or maybe goal; it means that guide has different type. Some people really feel enjoy to spend their a chance to read a book. These are reading whatever they acquire because their hobby is usually reading a book. What about the person who don't like reading through a book? Sometime, man feel need book once they found difficult problem as well as exercise. Well, probably you will require this Killing Castro (Killing Castro: 1).

Nathan Wilson:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their down time with their family, or their friends. Usually they accomplishing activity like watching television, planning to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Can be reading a book could be option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of reserve that you should read. If you want to consider look for book, may be the book untitled Killing Castro (Killing Castro: 1) can be fine book to read. May be it could be best activity to you.

Joshua Mendez:

With this era which is the greater man or woman or who has ability to do something more are more important than other. Do you want to become considered one of it? It is just simple solution to have that. What you have to do is just spending your time very little but quite enough to have a look at some books. One of the books in the top listing in your reading list is Killing Castro (Killing Castro: 1). This book which is qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking up and review this publication you can get many advantages.

Lauren Veach:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Killing Castro (Killing Castro: 1) can make you truly feel more interested to read.
