## **ONE SMALL, NEW ENGLAND TOWN IS TAKEN BY STORM? AND NOTHING WILL EVER BE THE SAME.**

Once upon a time, Coventry weathered a horrific blizzard, one that left many people dead?and others mysteriously lost. Twelve years later, the town is still haunted by the snow that fell that one fateful night...and now a new storm is on the way.

**"A fun, bone chilling thriller."?Boston Globe**

**Photographer Jake Schapiro mourns the little brother he lost in the storm and, this time, he will see another boy go missing. Mechanic and part-time thief Doug Manning, whose wife was never found after she wandered into the whiteout, is starting over with another woman?and more ambitious crimes. Police detective Joe Keenan has never been the same since that night, when he failed to save the life of a young boy...and the boy's father vanished in the storm only feet away. And all the way on the other side of the country, Miri Ristani receives a phone call?from a man who died twelve years ago. Old ghosts are trickling back to life as a new threat rolls in. Could it be that this storm will be even more terrifying than the last?**

**"Horror fiction is starting to make a comeback...writers like Christopher Golden are a big part of the reason."?George R. R. Martin, *New York Times* bestselling author of *Game of Thrones***

**"A ghost-house thrill-ride...A great read for a winter night, or any night."?John Ajvide Lindqvist, author of *Let the Right One In***
