What is in a name? Have you ever taken the time to contemplate the meaning behind your name, the experiences that have shaped your life, and the relationships that have defined you? We all have stories to tell about our lives, some sad while others are very joyful. As we reach our later years, only then can we look back at previous events and see how they have shaped or reshaped our lives. While these events may seem small to some, they are important to you. They define you. They cause you to laugh, to cry, to think, to love, and to reminisce. In this book, Dean Scarpa explores the turns and bends along the road in this journey we call life. From an aspiring musician to his career goals, Dean reveals his experiences and revelations.
