In the antebellum South, Richmond and Carolyn Davidson live lives of ease as wealthy plantation owners. But even though their wealth and livelihood depends on slave ownership, their Christian consciences speak against the practice.

When the Davidsons decide to follow their own moral judgment and God's will by freeing their slaves, they face consequences they never could have anticipated. Risking their lives as an important link in the Underground Railroad helping runaway slaves escape to the Northern states, the Davidsons must rely on their wits—and God's protection—to stay alive.
