## **La patrulla del tiempo (Spanish Edition)** Poul Anderson

La Patrulla del Tiempo es un clásico indiscutible de la ciencia ficción y una obra maestra de la ucronía, escrita por Poul Anderson, Gran Maestro Nebula y el autor que más premios Hugo ha obtenido en toda la historia del género. En 1960, Anderson publicaba la que entonces parecía una obra cerrada, Guardianes del Tiempo, en la que se incluían cuatro relatos protagonizados por un carismático patrullero del tiempo, Manse Everard. Esas historias habían aparecido previamente en la revista The Magazine of Fantasy and Science Fiction y eran, todas ellas, aventuras de una policía del tiempo que debía vigilar el pasado para evitar que la futura existencia de una máquina del tiempo pudiera alterar el devenir de la humanidad. En la década de 1980 esta serie se amplió con varios títulos adicionales en torno al mismo protagonista, hasta completar la presente versión en un solo volumen. Desde entonces, esta asombrosa revisión de la historia de la humanidad se ha convertido en un clásico de la ciencia ficción moderna.

Manse Everard es un patrullero del tiempo, uno de los esforzados paladines que protegen la historia de las alteraciones que una máquina del tiempo podría introducir en la incierta matriz del futuro. En sus diversas aventuras por el pasado, lo vemos intrigando entre los persas de Cambises, Astiages y Ciro en su guerra con Grecia; con los conquistadores españoles y el imperio inca; con los vikingos y godos en la Escandinavia regida por Odín; en la Jerusalén de David y Salomón; en la Germania invadida por Roma y en otros muchos momentos cruciales del pasado de la humanidad. El resultado es una maravillosa visión de la Historia que fue, pudo ser y tal vez será, con todo el sabor de la mejor especulación y la paradoja temporal.

«La Patrulla del Tiempo, una de las referencias claves de El Ministerio del Tiempo.»

Javier Olivares, creador de la serie de TV

«Una novela tan moderna y vigente que parece escrita desde el futuro y mandada al pasado para convertirse en el clásico atemporal que es hoy.»

Marc Pastor, escritor y crononauta amateur

«La ciencia ficción se está convirtiendo en algo mainstream y La Patrulla del Tiempo es un gran comienzo para introducirte en el género por la puerta grande.»

Antonio Torrubia, librero de Gigamesh

So now let us explain to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished reading it, like winning a sport. Do you want to try this extraordinary investing spare time activity?

#### **William Sanders:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just small students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this La patrulla del tiempo (Spanish Edition) can make you feel more interested to read.
