The American South: A History (Volume 1) William J. Cooper Jr., Thomas E. Terrill

In *The American South*, Cooper and Terrill demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States. Each volume includes a substantial biographical essay-completely updated for this edition-which provides the reader with a guide to literature on the history of the South. Coverage now includes the devastation of Hurricane Katrina in 2005, up-to-date analysis of the persistent racial divisions in the region, and the South's unanticipated role in the 2008 presidential primaries.
