When Somebody Loves You Cindy Gerard

Now available as an eBook, a sizzling two-book collection of previously published classic romances, *Temptation from the Past* and *Slow Burn*, by *New York Times* bestselling author Cindy Gerard.

Temptation from the Past: Intrigued by the enigmatic lawyer who defended abused children with passion but who seemed untouched by his charm, Michael Hayward wanted to thaw January Stewart's cool demeanor and rouse the heat he suspected lay underneath.

Michael was the sexiest man January had ever seen, but she knew the renowned journalist was trouble. Was this man her worst nightmare come back to haunt her—or the one who would break down the defenses of a lifetime and cast away her pain?

Slow Burn: He was a wanderer whose troubled gaze barely hid his anger and despair, but Joanna Taylor knew she'd offer Adam Dursky the handyman job at her Minnesota lodge. Drawn to a loneliness in him that echoed her own, she couldn't fight the desire his touch awakened in her.

Adam had battled his ghosts and shadows for months, but only Joanna's touch kept the terrible memories at bay. Determined to convince her that forgiveness was better than regret, Adam insisted she make peace with her *own* past. Could a redheaded rebel who'd given up on love heal the pain of a hero who thought he'd lost his courage?
