Deconstructing the NYSTCE Bridgette Gubernatis

This test prep guide focuses on Strategy and common questions on the NYSTCE. It is a short and easy to read book with practice essays and a step by step way to deconstruct the questions so that you will easily see the answer the test makers want.

This book can also be used for the new EAS test. If you read both the section of the book on the old test (ATS-W) and the section of the book for Students with Disabilities you will have no problem with the EAS.
