Will All He's Got Be Enough?

Abby Thomson is content to leave politics and international intrigue to her father-the President of the United States-until she's taken hostage half a world away, and she fears her father's policy of not negotiating with terrorists will be her death sentence. There's one glimmer of hope: the man whose heart she broke, but she can ever tell him why...

As they race through the jungle in a bid for safety, the heat simmering between Steady and Abby could be a second chance for them-if they make it out alive.
