Hieroglyphs from A to Z is the first book published by PomegranateKids™, an imprint of Pomegranate Communications, in collaboration with the Museum of Fine Arts, Boston. Originally published in 1991, this popular best-seller has been out of print for many years. With bold graphics, charming, rhyming text, and solid educational content, it explains the hieroglyphic code while imparting important facts about ancient Egypt. As an added bonus, a separate sheet of stencils is provided, slipped inside the back cover, so that kids can easily draw their own hieroglyphs. All told, this is the perfect book for any small visitor to a museum with Egyptian artifacts, or for any child who simply loves words and pictures.
