With Life In Words, I want to show my art in words. I want to leave you with an expression of thought. I choose to write because it helps me to heal. With my poems I hope to help you heal as well. To give you food for thought. When you read something that make you think, you grow. I tell my kids all the time, “Take it one day at a time, but continue to lean”. The brain is such an amazing organ. Add your heart and your soul, and you have a wonderful person. So come join me on a journey that puts Life into Words.
