"I have always felt the healing presence of God in nature", says the author of "Love In Action", Rev. Dr. Johnson."We live in an age that desperately needs a new understanding of both healing and counseling. In my experience the Bible reflects the powerful holistic healing reality of Christ in creation and our own lives in many pivotal passages including one that inspired the final completion of this book: 'Then the angel showed me the river of the water of life, as clear as crystal, flowing from the throne of GodOn each side of the river stood the tree of life, bearing twelve kinds of fruit, yielding its fruit in season. And the leaves of the tree are for the healing of the nations' (Revelation 22:1-2)."
