“Oh my God,” I breathed.

“I know, right?” she answered.

She knew I meant Donald Crowe.

“He’s a force of nature, if I’ve ever seen one.
And Ring travels in big circles. I’ve seen a couple.”

She slipped through the glass door and down the hall to Ring’s office.

He would need her for his morning coffee and bagel. I dropped a file.

When I picked it up, and straightened myself up, I was chest to chest with Donald Crowe.

His presence took my breath away.

His dark eyes bore into mine, and it felt like all the air had been sucked out of the room.

“Excuse me,” I said and my voice sounded much thinner.
I forced my eyes away from his. I didn’t want him to think this was a challenge.

The human world, which we worked in, was a strange place for our animal behavior to exist.

Donald didn't move. Instead he leaned in closer to me, closed his eyes, and breathed in. It was as if he smelled my scent.

It made me uncomfortable. I wasn't available.

"I have a mate," I whispered. Lashan was protective.

If he knew I spent a lot of my time in rooms full of males without him around to claim me, he would be livid.

This would send him right over the edge.

"You're not wearing a ring," he said, his voice so deep it was almost a growl.

I couldn't answer him.

Not because I didn't know how to explain why I didn't, but because there was something about him that was ridiculously attractive.

I didn't want to step away from him, or leave the room behind with him in it. My skin suddenly burned with a yearning for him to touch me.

This spicy book awaits. You know you deserve it! Scroll up to download this HOT and FORBIDDEN romance now! Free with Kindle Unlimited!
