This Science Fiction Collection is a great read for Science Fiction fans.

John Wood Campbell, Jr. (June 8, 1910 – July 11, 1971) was an American science fiction writer and editor. He is a legend in the world of Science Fiction. As editor of Astounding Science Fiction (later called Analog Science Fiction and Fact) from late 1937 until his death, he is generally credited with shaping the so-called Golden Age of Science Fiction.

You get three Science Fiction fantasy stories in one! This is classic science fiction at its best.

Here is a flavor of one of the science fiction stories that is featured in this trilogy.

THE ULTIMATE WEAPON RED SUN RISING

The star Mira was unpredictably variable. Sometimes it was blazing, brilliant and hot. Other times it was oddly dim, cool, shedding little warmth on its many planets. Gresth Gkae, leader of the Mirans, was seeking a better star, one to which his "people" could migrate. That star had to be steady, reliable, with a good planetary system. And in his astronomical searching, he found Sol. With hundreds of ships, each larger than whole Terrestrial spaceports, and traveling faster than the speed of light, the Mirans set out to move in to Solar regions and take over. And on Earth there was nothing which would be capable of beating off this incredible armada--until Buck Kendall stumbled upon THE ULTIMATE WEAPON! THE ULTIMATE WEAPON

If you enjoy classic Science Fiction books then you will love this Science fiction collection.
