**Blood Tide: A Novel** Robert F. Jones

**“A Winner . . . *Blood Tide* is the best high-adventure escape I’ve taken in years.” —Elmore Leonard**

In the tradition of Clive Cussler and Alistair MacLean, *Blood Tide* is a gripping novel of betrayal and revenge set in a remote and lawless corner of the Philippines.

Unjustly blamed for a failed escape attempt from a North Vietnamese prison, James Culdee, a career US Navy noncom who has served his country with distinction for twenty years, is suddenly and unfairly forced into a disgraceful retirement. Devastated, Culdee retreats into alcoholism until he is rescued by his daughter, Miranda, a charter-boat skipper whose sloop, the *Seamark*, has been stolen.

When Miranda learns that the *Seamark* has been sighted into the dangerous and primitive Flyaway Islands of the Philippines, father and daughter sail off in pursuit, on a voyage that will carry them across the Pacific. Arriving in the Flyaways, where local pirates and drug smugglers are as treacherous as the hidden shoals and reefs, Culdee and Miranda join a band of Filipino insurgents plotting to overthrow a tyrannical American drug lord, who may or may not be the same “slimy” who betrayed Culdee in Vietnam.

Filled with action, suspense, and nautical lore, *Blood Tide* is a tale of intrigue, courage, and passion—of a father and a daughter’s battle against overwhelming odds in infernal jungles where murder is a sport and madness a way of life.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
