Early American The Story of Paul Revere Mildred Mastin Pace

“Early American The Story of Paul Revere” is Mildred Mastin Pace’s first book, but she has done a great deal of editorial and radio work. It was through her work on a radio program that she came to realize there was no biography for readers of that most dramatic and colorful patriot, Paul Revere. Most of us have a rather vague and inaccurate idea of Paul Revere’s activities, overshadowed by the famous ride, but this book gives a well-rounded picture of a man who was a silversmith, patriot, soldier, father of a large family, courier, and bell maker. The story reads like fiction but has the added advantage of being true. Mildred Mastin Pace has eight other e-book’s available on Kindle and Nook.
