How To Make Him BURN With Desire...Only For YOU (FOR WOMEN ONLY Book 2) Lanie Stevens
This book takes the "secret technique" that I teach you in the book "PUSSY WHIP - Proven, Powerful Technique Controls Your Man" a step further. I suggest that you read the "Pussy Whip" book first so you have a good foundation and knowledge of the technique before reading and incorporating the technique you will learn in this book. "Pussy Whip" will explain the background and why the technique works like MAGIC!!!

If you are looking for a book that will try to make you change WHO and WHAT you are to attract or keep a man...this book is not for you. There are a few chapters dedicated to what men have shared with me about things that will make them leave a relationship or be unhappy with their mate. However, this book is to empower you (women) and help you get ANY man to desire you. Get any man without making changes to your looks, behavior or personality. If you decide to make changes it will just be to improve yourself AND because that is what YOU desire.

Let's face facts, most relationship books tell you "what you need to do to change yourself" and attract a man. Some tell you that you need to be a "bitch" and others that you need to be a "pussycat"...really? Just like there are all kinds of reasons you are attracted to a certain man, there are all kinds of reasons he will be attracted to you. Why would you arbitrarily change anything about yourself? What if the thing you change would be the ONE thing he would like about you?

There are a few things that I found ALL men hate: 1) women who let themselves go physically; 2) women who "nag, bitch and complain"; and 3) women who use the "bait and switch" to get their man. I will cover those things in the book BUT this book is not written to change you. This book will have men desiring you (and only you) in spite of what you look like, your personality, physical appearance or outward desirability.

You will learn a technique that can be used at any time and place. A technique that will have him wanting you and thinking about you with DESIRE...whenever you please. Ladies, the power of the pussy is not located between your legs. It is located between your ears! You just don't know how to use it...yet!

In "Pussy Whip" A Guide To Control Your Man I taught you a technique that will change your life. Did you read it and listen? This book will take it a step further and add desire to your capabilities. You don't need to remember how long to look in someone's direction, how many times to bat your eyelashes, whether you should call him or not, how many dates before having sex, advice about how to "smile more",...silly dating books written by people who don't know my technique and write books giving advice that 12 years should know.

If you want to change yourself to attract a man...go for it! If you want to have a man (any man) desiring you using one simple technique... then this is the one book you need. One technique to have ANY man panting after YOU!!! It may be a total stranger OR the man who sleeps next to you each night. He will think of you with a burning desire!
