Secret History of Unicorns J. Renison

The Unicorn, with its silvery white coat & its single, magical horn, is woven into the very fabric of our history. Unicorns were there at the beginning of time & they have been preserved through all manner of natural disasters to reach the present age. Creatures of great beauty & majesty, they are famously impossible to catch - at least by force - so much of what we know about them is the stuff of legends. But how much do we really know about their true origins, their natures or their habits? And why is it that we no longer see them roaming our lands? We know they are there, but is their elusive nature simply due to shyness or is there a more important reason why they keep themselves hidden from the sight of men? There is so much to discover about the magical world of unicorns! Simply open the previous pages of this secret history to begin your quest.
