Be Healed and Stay Healed: Practical Tools, Key Principles, Proven Prayers, Faith-Building Testimonies Ed Rocha

If nothing is stronger than the power of the cross, then why are some people not healed--even after prayer?

And if God desires healing for His children, then why don't those who *have* been healed always *stay* healed?

In this eye-opening new book, Ed Rocha, an international healing ministry leader, tackles these conflicting realities head on.

You'll explore the supernatural principles of God's Kingdom while reading fascinating stories of success--and failure. In every chapter, along with solid biblical instruction, Rocha offers inspiring testimonies and prayers that will increase your anointing and faith for healing and equip you for an effective healing ministry.

Don't settle for frustration and failure in your prayers for healing.

Learn to partner and engage with the God who loves to heal--and wants to involve you in miraculous acts of hope.
