**Fritzing for Inventors: Take Your Electronics Project from Prototype to Product** Simon Monk

**In this TAB book, bestselling electronics author Simon Monk shows maker-entrepreneurs how to use Fritzing's open-source software and services to create electronics prototypes, design and manufacture printed circuit boards (PCBs), and bring professional-quality electronic products to market.**

*Fritzing for Inventors: Take Your Electronics Project from Prototype to Product* explains how to use this set of free, open-source electronics prototyping tools to lay out breadboards, create schematics, and design professional-quality printed circuit boards (PCBs). No engineering skills needed! Whether you're a hobbyist, artist, inventor, or student, you'll be able to develop a product from schematic to prototype to professional-quality printed circuit board, all from one easy-to-use software package. Fritzing works well with prototyping boards such as Arduino, Raspberry Pi, and BeagleBone.

This DIY guide covers the whole lifecycle of product development for a hobbyist entrepreneur. It takes you from initial concept, to prototyping, to PCB production, to distribution. Along the way, it examines the sourcing of components, product testing, and even how to price products for wholesale and retail.

- Simon Monk is a bestselling TAB electronics author and popular presenter at MakerFaires
- Well-illustrated tutorial with screen captures, easy-to-follow instructions, and step-by-step projects
- Describes an up-to-date contemporary approach to PCB design, including surface-mount designs
- Explains how to become a maker entrepreneur by using crowdfunding and indie marketplaces for technical products

### **From reader reviews:**

#### **Mary Gale:**

The book Fritzing for Inventors: Take Your Electronics Project from Prototype to Product can give more knowledge and also the precise product information about everything you want. So just why must we leave a good thing like a book Fritzing for Inventors: Take Your Electronics Project from Prototype to Product? Several of you have a different opinion about book. But one aim that will book can give many information for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or data that you take for that, you may give for each other; you are able to share all of these. Book Fritzing for Inventors: Take Your Electronics Project from Prototype to Product has simple shape but you know: it has great and big function for you. You can appearance the enormous world by open and read a e-book. So it is very wonderful.

#### **Michele Reynolds:**

People live in this new moment of lifestyle always try and and must have the spare time or they will get lot of stress from both way of life and work. So , when we ask do people have time, we will say absolutely sure. People is human not just a robot. Then we question again, what kind of activity do you possess when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading books. It can be your alternative within spending your spare time, typically the book you have read is usually Fritzing for Inventors: Take Your Electronics Project from Prototype to Product.

#### **Teresa Cook:**

Can you one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Try and pick one book that you just dont know the inside because don't ascertain book by its deal with may doesn't work is difficult job because you are scared that the inside maybe not because fantastic as in the outside look likes. Maybe you answer may be Fritzing for Inventors: Take Your Electronics Project from Prototype to Product why because the excellent cover that make you consider with regards to the content will not disappoint you. The inside or content is actually fantastic as the outside as well as cover. Your reading 6th sense will directly guide you to pick up this book.

#### **Helen Jackson:**

Publication is one of source of expertise. We can add our knowledge from it. Not only for students but additionally native or citizen require book to know the up-date information of year to help year. As we know those guides have many advantages. Beside many of us add our knowledge, can also bring us to around the world. By book Fritzing for Inventors: Take Your Electronics Project from Prototype to Product we can acquire more advantage. Don't that you be creative people? Being creative person must love to read a book. Only choose the best book that suitable with your aim. Don't always be doubt to change your life at this book Fritzing for Inventors: Take Your Electronics Project from Prototype to Product. You can more attractive

than now.
