Finding LIGHT in the darkness Felecia lived a life in the dark, marred by abuse, addictions and perversion, but when a horrific car accident almost took the life of her son, she found herself seeking help from a God she did not know. While living through months of not knowing if her son would live, plus years of physical therapy, the author shares her story of wholeness and healing, and the miracle that changed everything. With dramatic narrative, heartfelt poetry and insightful one-liners, Felecia takes you with her on a journey from darkness to light. Her story will encourage others to step out in faith. For those who find themselves in a dark place seeking to find a way out, "I WRITE in the dark" gives hope, help and healing that comes from the Source of all Light.
