Skye Morrison begged for death. Fortunately, someone didn't listen. Skye awakens to discover she has been irrevocably changed and the unprecedented circumstances of her rebirth have now created a new threat to her very existence. Sired by both the monster Amun and the vampire Archer Rhys, Skye must prove to the army of An Dilis (The Faithful) whose essence is most dominant within her and that she is not a danger to them or society. The Faithful soon discover that she is unlike any vampire ever created before as she struggles to adjust to her new life and the changes that come with it. Her recent brush with death has made Skye realize that life is precious and she wastes no time telling the one she loves how she feels about him. But, Amun finds out that someone interfered with Skye's transformation and the intrusion makes him livid. He gives Skye 7 days to come to him or he threatens to begin killing the ones she loves most. Will Skye be able to survive long enough to enjoy her new life now that Amun is hunting her and everyone she loves? Don't miss Legacy of Blood, the fourth installment in the popular Skye Morrison Vampire Series brought to you by author J.L. McCoy.
