Love Systems Routines Manual, Volume 1 The Don, Savoy

The biggest thing that most men usually struggle with when meeting and talking with women for the 1st time is WHAT to say: should I just be myself? Women love a funny sense of humor though, should I tell her a funny story or joke? Should I find out more about her? I know I need to keep talking...But what to say?

Inside the Routines Manual Vol. 1, Love Systems Master Instructor, The Don, and Love Systems co-founder, Nick Savoy, have compiled together a large assortment of "routines," or things to say to a woman, that have been used by all the Love Systems instructors on over thousands of women worldwide. Through their years of experience talking to so many different women, the instructors all have said a million different things and have learned what gets a good response and what doesn't - what story is funny, what conversation or bantering points and topics should be avoided, etc.

This is perfect for someone who:

- Struggles with what to say and are looking for ways to get the conversation flowing
- The guy who wants to spice up their conversations with women and not say the same old boring "who are you" and "where are you from?" over and over again
- Looking to see what kind of stuff the instructors say and see if it fits your style
- Find out what the instructors have tried and tested and worked for them with thousands of women.
